

Register your interest for local jobs

The proposed Noosa on Weyba master plan community will require local job seekers for a diverse range of industries including-

- Construction
- Retail
- Sales and marketing
- Body Corporate management and maintenance
- Administration
- Environment and conservation
- Aged care

More than 2,000 jobs over six years and 309 permanent on and off site jobs when finished. The project is subject to approval and is currently before Sunshine Coast Regional Council.

Preference will be given to local sub-contractors, tradespeople and professionals.
